FREE VIS-CHECK INSPECTION

A VIS-Check “pre-service” undercarriage inspection is available to qualifying vehicles in our Service Department.

VIS-Check will:

- ◆ Confirm brake performance to DOT specs
- ◆ Determine steering & suspension health
- ◆ Pinpoint rolling resistance problems
- ◆ Identify squeaks, rattles and vibrations

Catch small repairs before they become costly in-service breakdowns.

Get VIS-Checked. It's peace-of-mind.

Whiteford Kenworth

CHARGING SYSTEM CHECK

Our experts can help you recognize the signs of an electrical problem and fix it right!
System check includes:

- Battery load tested and terminals checked and cleaned
- Starter inspected and operation checked
- Charging circuit inspected
